

GAIN STRENGTH, STAMINA, AND ENERGY LIKE A PRO

When you think football player, you think meat and potatoes. But NFL tight end Tony Gonzalez found a higher level of physical and mental performance—on and off the field—when he switched to a diet low in animal protein and high in plant-based, unprocessed foods.

Now he's teamed up with nutritionist Mitzi Dulan to bring this clean eating and exercise program to everyone. With the simple lifestyle changes and dietary adjustments in *The All-Pro Diet*, you too will feel stronger, healthier, and more energetic than ever before.
